## **RACHAEL THOMPSON PHILLIPS**

is the creator of the Sacred Oracle online programme... She is here to help people awaken their intuitive soul self, so they become empowered, confident oracle readers that claim their sacred inherent power to lead & serve & build incredibly successful soulful businesses doing what they love...

Through her work as a hands-on therapist within the spiritual industry with an array of knowledge spanning from being a psychic/oracle reader, crystal & reiki healer, body intuitive, to human behaviour, anatomy & physiology, the list goes on... Rachael's wealth of knowledge spans over 25+ years...

Rachael now works with inspiring intuitive's to share her wisdom & help them become professional psychic, mediums, mystics, healers & sassy biz owners to boot... She combines transformational healing work, strategy & soul alignment that allows her students to feel completely empowered from within...

Rachael has appeared on multiple podcast shows around the world, Blog Talk Radio in the USA & even writes a monthly article for the newspaper...
